Lakeland Fla.

Dear James:

First of all I am enclosing the money order for the money you asked for, \$20.00. I do not like sending you money so soon but you make it sound so urgent, I do not like to think you are in need. Now James I want you to take care of the matter of getting your unemployment insurance right away. There is no reason in the world why you should not be receiving it. I wrote to the office in Trenton as soon as I received your letter the other day, and I am enclosing you a copy of the answer I received from them. Now you should take this letter with you when you apply again. Of course you will ~~not~~ receive as much money as you would have if you had worked all summer, but you will receive one sixth of the total amount of salary you received while you did work. Be sure and let me know right away, if you receive this letter and money order, and how you make out with the insurance.

About your boy you want me to try out, tell him to write me if he wants to go to camp with us this spring, and I will take him. If he writes me I will answer him back right away.

Be sure and let me hear from you right away.

Very Truly Yours
